

Argent Foundation is an IRS-recognized public charity that sponsors Donor-Advised Funds, commonly referred to as DAFs, which are one of the fastest-growing charitable giving vehicles available today.

With a DAF, charitably inclined investors can streamline their giving and gain immediate advantage of various tax benefits, while allowing them time to make decisions on the recipients of their gifts. Assets funded into Argent Foundation DAFs have the added benefit of potential tax-free growth and professional management.

Top highlights of an Argent Foundation Donor-Advised Fund

NO MINIMUM TO OPEN

1% ANNUAL FEE OR \$50_{min}

\$250 MINIMUM GRANT
